

INTO THE SEA PACKAGE

ENJOY THE CLEAR, BLUE WATER OF THE INDIAN OCEAN WITH A DIFFERENT ACTIVITY EACH DAY!

Our offshore eco-systems provide an active deep sea fishing excursion for big game enthusiasts. After a scenic boat ride, enjoy a breakfast or lunchtime troll, then grab snorkeling gear for a swim with colorful fish such as Mahi Mahi, rainbowruners, spanish mackrell, ...

Then captain your own wave on our world-renown private surf, Occy's Left. Depending on the swell, beginners can take lessons on calmer waves nearby.

Top off your stay on a jet ski for a ride along the coastline. The view of Sumba from the ocean offers an entirely different perspective!
