The Surfer's Escape

AN 5-NIGHT ITINERARY FOR SURF ENTHUSIASTS

Edge of Wildness™

Embark on a Journey

Embark on a journey where the rhythm of the ocean becomes your guide, a soulful adventure through the raw beauty and ancient spirit of Sumba.

Paddle out into the legendary Occy's Left, one of the world's most coveted waves, where turquoise waters and powerful breaks awaken both focus and freedom. Between sessions, explore Sumba's untouched coastline, where each wave tells a story and every ride connects you more deeply to the island's rhythm.

Balance the rush of the surf with moments of stillness at the Nihioka Spa, where open-air treatment pavilions overlook the Indian Ocean and the sound of waves becomes part of your healing.

As night falls, unwind with ocean-inspired dining experiences that celebrate Sumbanese flavors and traditions, the perfect way to restore and reflect after a day shaped by sea and soul.

Whether chasing waves or seeking calm between them, this is a journey of freedom, connection, and renewal, an unforgettable adventure at the Edge of Wildness™.
