Edge of Wildness™

A Complimentary Anniversary Stay for Honeymooners

In this unique celebration of enduring love, “Nihi Forever” provides NIHI Sumba honeymooners in 2025 with the opportunity to relive the intimate adventure, connection, and beauty of their honeymoon with a complimentary return stay in 2032.

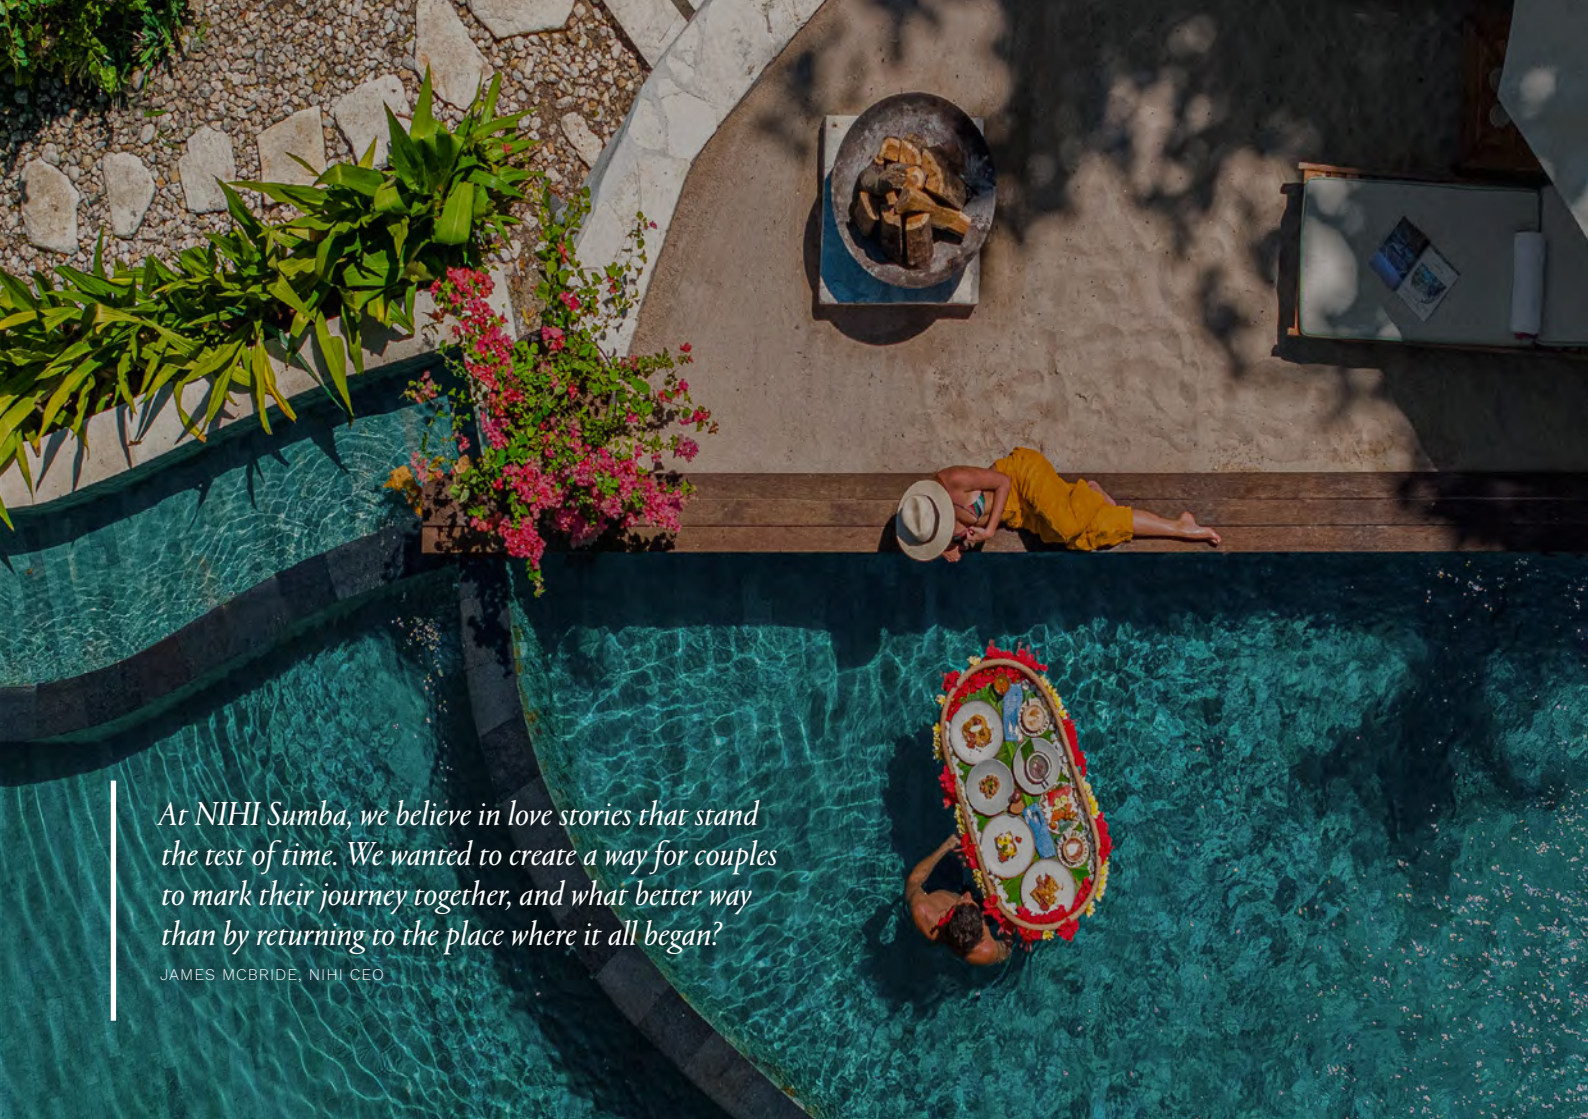

Sumba Island, just a short flight from Bali’s bustling tourism hub and over twice its size, is a sanctuary for those seeking connection to something greater. NIHI is a haven for adventurers, passionate explorers, and curious souls but also a popular honeymoon destination known for its far-flung access, cultural mystique, and custom itineraries.

Nihi Forever is a honeymoon experience unlike any other: Couples who book their honeymoon at Nihi Sumba in a Marangga category (or higher room at rack rate) will be invited back — with our compliments — for a return stay of equal length, seven years later on their anniversary.

The only full service, five-star resort on Sumba Island, NIHI is able to provide unlimited freedom to explore a bygone era, seamlessly integrating the lush and rugged landscape and cultural spirit of its surroundings with thoughtful details and enduring experiences.

NIHI Sumba will be more than just a place to start your story; it will be a place to revisit and relive that love all over again. With luxury accommodations, world-class wellness experiences, surfing on private waves, horseback riding on secluded beaches, and sunset dinners that take your breath away, we continue to redefine the romance of a lifetime.

An aerial photograph of a tropical resort pool. A woman in a yellow dress and a wide-brimmed hat is sunbathing on a wooden deck. A man is floating a large, round, ornate tray of food in the pool. The pool is surrounded by lush greenery and a stone path. A fire pit with logs is visible on the deck.

At NIHI Sumba, we believe in love stories that stand the test of time. We wanted to create a way for couples to mark their journey together, and what better way than by returning to the place where it all began?
