

Embark on the Ultimate Indonesian Adventure

A barefoot-luxury journey of immersive storytelling, this collaboration brings together Rascal's off-the-grid ocean escapes and NIHI Sumba's legendary island sanctuary. It's a soulful adventure across land and sea, where a shared passion for culture, nature, and elevated hospitality meets untamed exploration. Together, we offer exclusive, curated experiences across Indonesia's 17,508 islands, all delivered with uncompromising style, comfort, and authenticity.

NIHI Sumba is more than just an award-winning resort and wellness sanctuary; it's your gateway to exhilarating adventures and serene relaxation. Ride world-class waves, rejuvenate at the Nihioke Spa where you can experience the healing power of horses at the Equine Sanctuary, or indulge in our transformative Spa Safari experience. Dive into Sumba's rich culture through waterfall hikes, visits to ancestral villages, e-bike explorations, or engaging with the Burch Family Foundation's community projects.

Step aboard Rascal or Rebel to trace Indonesia's most biodiverse waters. Kayak through volcano-carved coves, snorkel with manta rays and plant coral alongside our conservation team. On shore, share stories with island communities whose traditions stretch across generations, where Rascal's partnerships support education, heritage, and local livelihoods.

This seamless blend of curated adventure, soulful stillness, and understated luxury, enhanced with exclusive guest privileges, promises memories to last a lifetime.
